Wild
Oxford

- With each of these full day courses, you will cover the basics of coppicing and/or hedge laying and learn all the necessary skills & techniques that are required for successful coppicing & hedge laying.
- You will learn why these traditional woodland management skills are so beneficial to wildlife, creating the ideal conditions for many plants, animals, insects & birds to thrive.
- The courses are designed for absolute beginners wanting to learn, or for those who already have some experience but want to practice and improve.

Courses are aimed at adults 18+ (children under 18 are welcome but we politely ask that they must be accompanied by an adult please).

Tea and coffee will be provided but please bring your own food for lunch & snacks.

Please dress sensibly for the weather as we will be outside!

Everyone welcome but booking essential. To book your place or learn more please contact Andy andygunn@bbowt.org.uk or 01865 775 476
